

November Monthly Spotlight

Having embarked on their journey with TRM towards the end of 2022, Focus Electrical Sales has swiftly gained momentum, marking 2023 as a year of remarkable growth and achievement. With a notable conversion of multiple projects, their dedication to delivering exceptional results and fostering enduring client relationships remains their standard.

Among their standout accomplishments, the successful completion of the Queen's Marquee Hotel Fitup in Halifax, NS, stands as a shining testament to their commitment to excellence and their ability to execute complex projects with precision.

Spanning across Atlantic Canada, Focus Electrical Sales boasts a prominent presence, with offices strategically situated in Moncton, NB, Bedford, NS, and Paradise, NF. This extensive reach underscores their commitment to serving clients across the region, ensuring carefully considered solutions and support for diverse project requirements. Through their expertise, Focus Electrical Sales continues to set a high bar for excellence within the industry.

TRM is proud to collaborate with such a service-oriented company.
